**Services Rendered to Lowell:** List no more than five activities per category (be selective). Consolidate multiple services into semesters (or seasons for sports) and indicate the average amount of hours spent per week during the semester in the respective columns, e.g. Registry Representative: 3x, 1 hour per week; Basketball Team: 2x, 5 hours per week. If you do not indicate how long you have participated in a service, we will assume 1x. List awards under the relevant categories and indicate that it is an award, not an activity. Credit can only be given for finished semesters; please do not count credit for the current semester.

If you were an officer for an activity, list the number of semesters you were a member for and the number of semesters you were an officer for in separate sections, e.g. Shield and Scroll, 3x, 3 hours per week; Shield and Scroll Officer, 1x, 4 hours per week. Do not indicate your specific officer title.

To verify each service, obtain the club sponsor or president’s signature. If you are obtaining a signature from a club president, include their registry number. If an activity is already listed on your transcript, you may simply write “transcript” in the *Signature* column. We will check applications for veracity and edit redundant listings. Please ensure that your writing is legible and in black or blue ink (no pencils).
